for the academic year 2020/21 01.09.2020

Information:

Welcome to the online application tool of the OeAD-GmbH!

We look forward to receiving your innovative and informative grant application. Please carefully read the [announcement](#) of the grant in our database as well as the following information before you start your online application.

Announcement:

[Ernst Mach Grant for studying at an Austrian university of applied sciences \(Fachhochschule\)](#)

for a planned duration of stay within the Austrian academic year 2020/21 (starting in September 2020)

For further information at the OeAD-GmbH, please contact:
Ms. Katharina Cepak (e-mail: cepak@oead.at)
www.oead.at

Checklist:

In order to assure that your application is complete, please provide the following documents for the upload. Make sure you upload them before you submit your application.
Please make sure that all documents are in **German** or in **English** or provide adequate translation!

- **A written acceptance letter** from an Austrian university of applied sciences (you have to obtain it yourself by contacting their international office)
- **A written confirmation** ("learning agreement") from your home university for the recognition of study achievements (in order to assure the acknowledgement of your courses done in Austria for your studies back home)
- **Two letters of recommendation** from professors or lecturers (they should know you personally)
You can use the blank forms under views/downloads or as follow the link for a word form:
<http://www.oead.at/fileadmin/icm/mach/empfehlungsschreiben.doc> These letters of recommendation can also be freely verbalized. But they must be older than six months at the time of **contain letterhead, date of issue and the signature** of the recommending person as well as a **stamp** of the issuing university/department
- **Copy of your passport** (scan of the page with your name and photo)
- **Copy of your highest university degree** (scan of your Bachelor degree and a transcript of records). If your documents are neither in English nor German, also upload an English or German translation of the document. An officially certified translation is then not required.

Please read carefully!

General remarks for the data input

Form: Since this is an **online application**, please mind the form of your data input accordingly - Therefore **DO NOT WRITE EVERYTHING IN CAPITALS** (for small letters) since this is seen not just as quite unprofessional but also makes the reading of your application really difficult!
- On your first registration, you just your name and avoid any additional specifications such as academic title or positions like "Student of" (except for the fields where they are requested).
- Please **DO NOT use accents or special characters** in your language such as Æ, Å, Ç, etc. - especially not for your names! This makes the search for database entry difficult and you may get German special characters such as ß, ü, ö and ð!
- In case a document might be written by hand please assure that it is **clearly readable** (e.g. letter of support)

- Please consider that your letters will also be **published** (only for study purposes)

Names: Please **absolutely fill** in your names as written in your passport, which means **ALL first names and ALL family names!**

Date: Please consider that in Austria **dates** are written in the **continental European way**, that is the form **DD.MM.YYYY**
For studies in an Austrian university of applied sciences you are bound to **beginning and end date of the semester**. Therefore please get in contact with your desired UAS and do for these dates before application. These dates have to match with the ones in your application.
Please check if the dates you filled in are right, especially your date of birth. The data will be copied in our main database and may complicate the process of your application.

Duration: Please consider that you can just apply for **max. 18 months** (i.e. two semesters) and that an **extension is not possible!** Applications with **more than 18 months** (e.g. for a whole study) will be **rejected** and considered **invalid**, therefore they will not be taken into account!
Please pay attention to the fact that the number of months for studying in Austria also **match with the start and end date** you filled in (e.g. 01.03.2023-30.07.2021 = 5 months). Don't make a decision about to take to your disadvantage (e.g. if you would have written 6 months in this case).

We ask you to choose the **start and end date** of your stay in Austria so that it **starts with the first and ends with the last of a month** (e.g. 01.03.2023-30.04.2023). Half months (meaning if you would come on a 15th) are not just difficult to handle for our administration, but above all you would have disadvantages yourself (e.g. for housing because you would have to pay the rent for the whole month anyhow).

Please note that it is **not possible** to come to Austria before **September 2020** regarding the **starting date** entered.

- **A maximum** of the duration of your stay in Austria is generally **not extendable**, but can be granted in exceptional cases.

Uploads:

- Please **upload PDF files**.
- Please **do not write protect** your PDF files.
- Please **do not upload too big files**. If necessary compress them before the upload.
- Please **upload your highest university degree (Bachelor degree) and an updated transcript of records**.
- You may **not** even more than one document into one PDF file.

Submit application:

- After you have filled out all the sections of the application form, the button **"submit application"** will appear.
- Please note, that your application is only successfully submitted when you have clicked that button.
- After the successful submission of the application you will receive a confirmation (E-Mail).
- In the case you do not receive that E-Mail please get in contact with the responsible OeAD-ambudant

Final decision:
The outcome of the examination process will be published at the end of June/beginning of July. All applicants will be informed of the results via E-Mail.

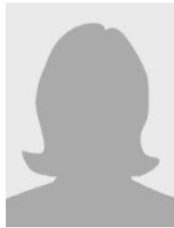

Good luck with your application!
